International Certificate of COVID-19 Vaccination (COVID-19 Vaccine Passport)
การขอรับวัคซีนพาสปอร์ตการฉีดวัคซีนโควิด-19

When you have received your complete COVID-19 vaccination you will be issued a Thailand-specific certificate of COVID-19 vaccination from the place where you are vaccinated. If you would like to travel overseas, you may request a vaccine passport for the COVID-19 vaccination for foreign travel.
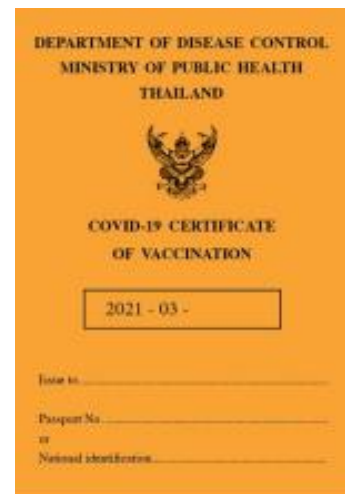

Conditions for COVID-19 Vaccine Passport

1. You must have completed a course of the COVID-19 vaccination.
2. You must travel within three months of the issuance of the vaccine passport.

Required Documents

1. **If applying yourself:**

   - Original citizenship identification card (if applicable) and a signed copy.
   - Original passport with at least six months of validity and a signed copy.
   - Original Thailand National Certificate of COVID-19 Vaccination that confirms that you received a course of the COVID-19 vaccination, which can be issued from the place you received your vaccine, and a signed copy.

   - Electronic airline ticket that specifies the date of travel within three months of the issuance of the vaccine passport.
   - Fee of 50 Baht per passport.

2. **If a representative will be applying for the passport for you, two sets of documents are required:**

   - **Set 1: Documents for the person traveling**
     - Original citizenship identification card (if applicable) and a signed copy.
     - Original passport with at least six months of validity and a signed copy.
