A. Agendia N.V., on behalf of itself and its affiliates, (collectively, ("Agendia")) will be providing laboratory and diagnostic testing services, test results and any related products (the "Services"), depending on the manner in which the order for Services (the "Order") is submitted to Agendia, pursuant to: (1) Agendia's Test Request Form ("TRF") or (2) the Order submitted in Agendia's online ordering portal, in each case along with these General Terms and Conditions. The Services shall be performed by Agendia for the ordering or requesting person, entity or institution identified on the TRF or online Order. The term "you" and "your" refers to the person, entity or institution that has agreed to these General Terms and Conditions. If you are accepting these General Terms and Conditions on behalf of an entity or institution, you represent and warrant that: (i) you have full legal authority to bind such entity or institution to these General Terms and Conditions; (ii) you have read and understand these General Terms and Conditions; and (iii) you agree, on behalf of such entity or institution, to these General Terms and Conditions. If you do not have the legal authority to bind such entity or institution, please do not sign these General Terms and Conditions. Agendia explicitly rejects the applicability to the Order of any other general (procurement) terms and conditions you may have attached or sought to apply to the Order. All Services will be carried out exclusively by Agendia, with the exclusion of articles 7:404 and 7:407 (2) of the Dutch Civil Code. Agendia will perform the Services in a professional and workmanlike manner in accordance with applicable industry standards. All terms of delivery of the Services, including but not limited to turnaround times, serve only as guidelines and are therefore non-binding on Agendia, unless Agendia has explicitly stated otherwise. The parties represent and warrant that they will comply with all other applicable laws and regulations.

C. You will at all times provide Agendia in a timely manner with all data and other information required and requested by Agendia and necessary for the delivery of the Services ("Client Information").
